

Session Program

19-23 Aug 2019

3rd International π ing on QCD Challenges from pp to AA

August 19-23, 2019, in Lund, Sweden

3rd International π ing on QCD Challenges from pp to AA

Topic 5 - Heavy quarks

Lund university

Friday 23 August

11:30

12:00

Topic 5 - Heavy quarks: What is the role of heavy quarks in establishing the underlying physics mechanisms in small or large systems?

Poster Session | **Location:** Lund university, Lundmarkssalen | **Convener:** David Silvermyr
