

Session Program

2-5 Jun 2015

NorduGrid 2015

Welcome and general trends on data-intensive computing towards the exascale

University of Bern, UniS building, A003
Schanzeneckstrasse 1, 3012 Bern, Switzerland

Thursday 4 June

10:00

Welcome and general trends on data-intensive computing towards the exascale

Session | **Location:** University of Bern, UniS building, A003, Schanzeneckstrasse 1, 3012 Bern, Switzerland |
Convener: Dr Sigve Haug

10:00–10:15 **Welcome**

10:15–10:30 **NorduGrid Status and Highlights**

Speaker

Prof. Farid Ould-Saada

10:30–11:25 **Keynote on Future of data-intensive HPC computing**

Speaker

Prof. Thomas C. Schultess

11:25–12:00 **Academic Computing in Switzerland**

Speaker

Dr Peter Kunstz

12:00
